

## **Vietnam Doan**

6600 Patriot Dr. • Columbus, GA 31909 • namdoan2@gmail.com • (706)-442-4271

### **Education**

**COLUMBUS STATE UNIVERSITY**  
General Business

Columbus, GA  
Incomplete

**COLUMBUS HIGH SCHOOL**  
Graduated as an A/B student.

Columbus, GA  
May 2018

### **Experience**

**CODECADEMY: Front-End Engineer Path**  
Student

Remote/Online  
February 2022 - Current

- Utilized this online course to establish a basic understanding of coding languages and frameworks.
- Gained knowledge on the fundamentals and syntax of HTML, CSS, and Javascript, which in return allowed me to start and finish projects assigned during the course.
- Developed my personal coding portfolio website locally, to provide a place where I can store and present my projects. Built with VSCode using my knowledge of HTML, CSS, and Javascript.

**CS50: Introduction to Computer Science**  
Student

Remote/Online  
February 2022 - Current

- Gained a broad idea of computer science and programming, while watching the course videos provided.
- Developed an understanding of different concepts, such as software engineering and web development.
- Expanded my knowledge of different coding languages, learning more about HTML, CSS, Javascript. Familiarized myself with the basics of C and Python.

### **Leadership Experience**

**SMALL SNEAKER BUSINESS**  
Mentor

Columbus, GA  
2020 - December 2021

- Guided a few of my friends on how to make money, reselling sneakers as a side hustle. Explained to them the ins and outs of the market that lead to them making a decent amount of money, while still maintaining their own priorities.
